

# NO WALLS APOSTOLIC HOUSE OF GOD

**Vision: Jeremiah 1: 9 & 10**

“Behold, I have put My words in your mouth.  
See, I have set you over nations and over kingdoms”

**5th Edition: April - June 2009**

## FROM THE APOSTLE'S DESK

Greetings to all of you in the name of our Lord and Savior Jesus Christ. I believe that we find ourselves living in one of the most exciting times in the history of creation. We are living in a time where the whole of creation is waiting for the manifestation of the sons of God as Christ is readying His Bride for His return!

**Apostle Marson Sharpley**

All that God is birthing through His children is carrying His DNA and it challenges ALL man-made protocols and agendas. **Heaven is invading the earth** and the rest of the universe and God is establishing His Government as His Kingdom is being manifested through the lives of individuals, families, communities, cities, nations, continents and entire societies! Man-made systems which lend themselves to serious demonic manipulations are being replaced by Kingdom Governmental principles. In other words, God is establishing His Government upon the earth. This heavenly activity then places a serious responsibility upon the shoulders of Believers the world over, including Namibia and the rest of Africa. This is even more profoundly so for Namibia and Africa per se. Namibia has been shown to many of us as the WOMB that God has put aside and protected for the birthing of revival and the preparation of revivalists for the continent. Africa was the womb that God had used to birth a mystery nation called Israel who would later give birth to the SON of GOD! The Nile River turning to blood symbolized the birthing of this nation. When Herod was bent on killing the baby Jesus, the Father, through an angel, directed Joseph to flee “with the child and the mother to Egypt” which is Africa. That painful Friday when Jesus carried His cross to Calvary, it was an African by the name of Simon who helped our Savior carry His cross. The implication of all this is that Africa has an enviably special place in the heart of Christ. **THE BEST WINE HAS BEEN LEFT FOR LAST – AFRICA'S REVIVAL HAS BEEN LEFT FOR LAST.** I am convinced through an experience I personally had during deep travail once that the Lord is not planning to send revival to Africa-He is going to come Himself!

Children of God, it is for this reason that we **MUST** get involved in electing our leaders who desire to hold public office. We **MUST** get involved in all our political elections so that we are able to impact our nation with our obedience to God's Word. Abstaining from elections is in itself tantamount to a spirit of rebellious voting because believe it or not, doing nothing about something is actually doing something about something. Therefore, I want to use this opportunity to encourage all of us to fully participate in the democratic activity of our country. This honors God and all those who paid the ultimate price for us to enjoy peace and security in our beautiful country.

**ROMANS 13:1-2** “*Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God. Therefore whoever resists the authority resists the ordinance of God, and those who resist will bring a judgment on themselves.*”

**LET US ALL GO AND VOTE IN NOVEMBER! IT IS THE RIGHT THING TO DO!**

**GOD BLESS YOU ALL!**

**Friday, 3 April 2009, a night to remember!**

**Pastor Angela and Apostle Marson Sharpley praising God**

What a powerful evening of praising and worshipping the Father through song, music, prophecy, prayer and intercession. Awesome was the visitation. The Spirit of God ministered to me in such a way that I could not resist. God was alerting me to tell the people to warfare against the spirit of abortion. At first, I could not understand why, then it dawned on me that this is the year of birthing, 2009. Nine according to the prophetic numbers is representing birth, the ninth month which is the final month of a human cycle of pregnancy. Namibia, according to several prophecies is referred to as the womb that will birth revival for the continent of Africa. 2009, being the year of birthing immediately made sense to me spiritually as to why God would whisper to me to come against the spirit of abortion. This was emphatically confirmed that particular night, as we went into a time of intense intercessory travail, praise and worship through music. We came against the spirit of abortion as we realized that Satan is after the destiny of our nation Namibia as we are the nation on the continent of Africa that is

carrying revival for this continent. Satan wants to attack and kill this baby before it is born. As we look at the State of our Nation spiritually, I believe we need to get rid of contamination within the Body of Christ as to continue to create an environment in which the baby we are collectively carrying is not aborted. This is what God has been showing us and I believe by faith, through the grace of God that every word that was spoken into the atmosphere that night will be established. Therefore I declare that *no weapon that is formed against* our Nation will prosper and no tongue that rises up against our Nation will prevail. We will birth that which God has intended for us to birth and we will not be derailed from our destiny!! Africa will usher in the coming of the King of Kings, Jesus Christ of Nazareth. We are part of the Body of Christ, His precious beautiful BRIDE. Amen. God bless you, saints
