## FROM THE APOSTLE'S DESK

Greetings to all readers in the name of our Lord and Savior Jesus Christ. What a year of challenges and growing up 2008 was!

Last year was not an easy year to experience. Thank God that He accelerated it. I believe that 2008 was a year of shaking the heavens and the earth on all levels. Having said that, I would like to salute all of you who made it through one of the most difficult years of the millennium, so far. This is because we all declared it as the YEAR OF NEW BEGINNINGS. In order for something new to be established, the old has to die or should I say – the old has to be destroyed. God has been setting things into the right order where order requires force. I believe that we have entered a season where the Spirit of God on the earth is pushing many of us to replace demonic world systems with God's Kingdom models through a prophetic process! We are living in a time where heaven is distinctly responding to the travailing of intercessory prayers.

I believe that we must allow the Holy Spirit to use our tongues to prophesy strategically at a set time, in the right place and for the correct reason. This year will require us to speak life into dead situations as Ezekiel was instructed to do in Ezekiel 37. I believe that this year will allow us to see the good side of the bad thing that we have been going through. We all know that the world is being traumatized and numbed by the collapse of man-made macro and micro economic systems that have ignored the need for God to be involved in setting them up and sustaining them. The single most powerful currency given to us by our Heavenly Father is faith. It is our faith in the Word of God that is going to afford us the “peace that surpasses all understanding”. In **John 16:33** Jesus says the following; “**These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world**”. To know that “GOD IS GOOD ALL THE TIME” and to experience the goodness of God are two different things. I believe that we now need to access the “GOODNESS OF GOD” through the commodity of FAITH!

I heard the Spirit of God informing my spirit that in 2009 the Father is going to pleasantly surprise His children and He will also charm His children during this year. I attended the annual Council of African Apostles' Summit in Harare, Zimbabwe at the end of January. The Lord gave me favor to be elected the first Co-ordinator of the Council of African Apostles This four year old powerful Apostolic body which is lead by Bishop Tudor Bismark with Dr Mensa Otabil as the Deputy Chairman and comprised of many really anointed and powerful elder apostolic voices on the continent of which we see on international Gospel networks. Well for me that was the first pleasant surprise that the Father gave me!

Child of God, we have done enough talking, it is time to act now. One of my constant prayers is that we will turn Namibia into an agricultural nation that not only feeds herself, but feeds her neighbors as well. I have asked our leaders in NO WALLS APOSTOLIC HOUSE OF GOD to buy seed which we must avail to those who want to grow fruit and vegetables.

Our nation is blessed with virgin soil both spiritually and physically.

Whatever you do this year, exercise PATIENCE as a fruit of the Spirit. Psalm 37:7 says; “**rest in the Lord and wait patiently on Him**”. I would like to invite us to stop being self-preserving this year and rather to become pro-active in doing what God expects of us. Our ministry theme this year was given to my wife Angela by the Lord in her sleep. She received **John 4:24** where Jesus says; “**God is Spirit, and those who worship Him must worship in spirit and truth** “. To me this speaks about worshiping God with the right attitude- the right spirit! So then children of God, let us use 2009 TO DO and not just TO TALK.

Let us use this year to implement our plans! God bless you as you meditate on **Romans 12:**

Until next time! God bless you!

## THEME 2009

### John 4:24 – God is Spirit Worship Him in Spirit and in Truth

#### THERE IS ALWAYS A WORD FROM GOD

One of the things that we teach at the Valley of Angels is that our God, the God of the Bible, is an active entity. God is never passive! In the book of **Joel 2:28-29** the Bible sates; “**And it shall come to pass afterward that I will pour out My Spirit on all flesh; Your sons and your daughters shall prophesy, Your old men shall dream dreams, Your young men shall see vision. And also on My menservants and on My maidservants I will pour out My Spirit in those days**”.

The Lord always blesses us as a ministry by downloading the theme for the year in my sleep either at the beginning of the year concerned or at the end of the previous year.

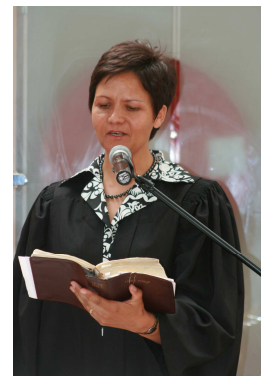

Whilst we were on vacation at the end of 2008, the Lord gave me **John 4:24** which says; **God is Spirit, and those who worship Him must worship in spirit and in truth.**” As

leaders we agreed that the theme of NO WALLS APOSTOLIC HOUSE OF GOD for 2009 is to be – **WORSHIP HIM IN SPIRIT AND IN TRUTH.** No matter what trials and tribulations you go through this year or even for the rest of your life for that matter, you must continue to know that God will never forget you. That is why all you need to continuously do is worship Him in spirit and in truth. Our worshiping of God **must** be a lifestyle. This can only be so once we allow the Holy Spirit to cultivate and sustain a “God sense” in our lives. A God sense will educate and inform you of the fact that everything you think, say or do must be to the glory of God!

We must always remember that worshiping God **must not** be a choreographed religious ritual, but rather a spontaneous manifestation of an intimate relationship with our Lord and Savior Jesus Christ. Our worship is what creates the atmosphere for the Spirit of God to be resident in our lives and to function as our helper and paraclytos. Loving your enemies and praying for them is worship. Praying with others wherever they might be is worship. Fasting, interceding, sowing (giving) and just doing good while obeying the Word of God is worship. Your willingness to worship and your level of worship will determine your spiritual advancement. Allow me to make a clarion call to all those who call themselves children of God to use this year to birth a higher dimension of worshiping God.

God bless you all as we worship our heavenly Father in spirit and in truth!

## NO WALLS BIBLE COLLEGE GRADUATION – 1<sup>ST</sup> YEAR

2008 was indeed a year of “new beginnings”, as 19 students have completed the first year of Bible College at The Valley of Angels. We have gained such a lot of knowledge about the Word, Politics, and Economics etc, because of our lecturer, Apostle Marson’s skills, abilities, wisdom and broad knowledge about so many things. The main goal of the Bible College is to equip and grow people to fulfill their highest call in life, being to go out and make disciples of the nations, according to Matthew 28:19-20, which is also in line with No Walls Mission Statement: “to advance the Kingdom of God, through the winning of souls for the purpose of developing them into disciples of Jesus Christ”

The only way to do this is by having a relationship with the Word of God, with God - for He is the Word.

Quoting Pastor Angela at the graduation ceremony;

The Word of God is alive, because He is alive.

The Word of God is never changing, because God is the same, yesterday, today and forever.

The Word of God is endless, because He is the Alpha and the Omega.

The Word of God is unquestionable, because He is awake behind His Word.

The Word of God spoken without love, purity, holiness and an anointing (Holy Spirit) is just another spoken word.

God bless you all. **Pastor Mara Booyen**
